REACHING, TOUCHING, & IMPROVING LIVES

Has your club made it's annual donation?

LIONS CLUBS OF WISCONSIN,

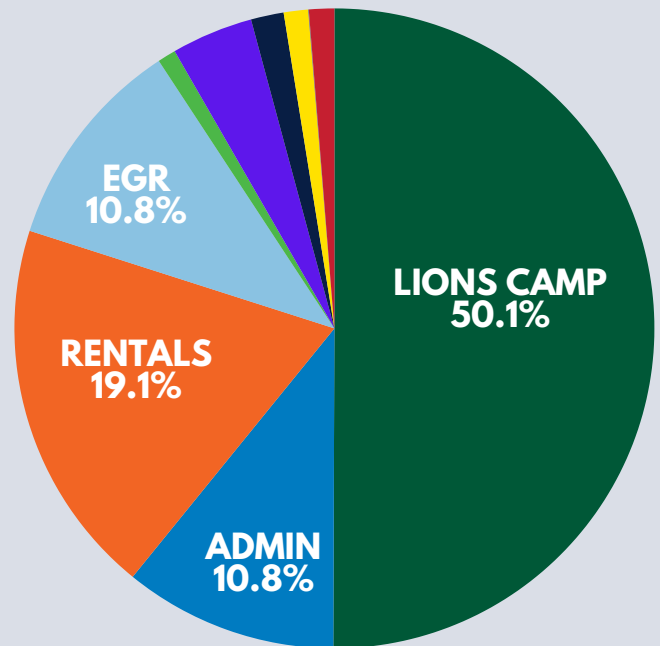

The end of another Lionistic year is rapidly approaching. For the Wisconsin Lions Foundation, the 2025-26 Lionistic Year has been one of change and progress. We welcomed new staff, expanded and reimagined projects, and congratulated Evett, our Executive Director, on a well-deserved retirement. Our year-round staff, who are entrusted with the daily operations of the five statewide projects, have been working tirelessly to ensure each project is as impactful as possible for those that we serve. **2026 Budget**

As the charitable arm of the Lions of Wisconsin, we are proud to represent all of you through the five statewide projects:

- Wisconsin Lions Camp
- Eyeglass Recycling
- Vision Screening
- Hearing
- Diabetes Awareness

In 2026, the Wisconsin Lions Foundation's operating budget is just over \$2.9 million dollars, including \$1.49 million to operate the Wisconsin Lions Camp. In order to ensure the success of the Foundation, we rely on donations from all of the Lions Clubs across Wisconsin. We are grateful to the Lions Clubs that have already submitted their annual donation and we humbly request that the remaining Lions Clubs submit their annual donation by June 30th.
